

Your way to CU Chemie Uetikon, Lahr

Arrival by Air

Address:

Raiffeisenstraße 4, D-77933 Lahr, Germany

There are actually three airports which we recommend:

Strasbourg-Airport: There are regular connections to and from all major french airports as well as to/from Munich, Milano and Vienna. For details please check their web-site at:

www.strasbourg.aeroport.fr/E

We recommend taking a taxi (approximately 80 EUR oneway) or a rental car from the airport. Follow the direction "Strasbourg" and then direction "Offenburg". Then take motorway A5 direction Basle. Further instruction see "arrival by car". Please calculate 35 minutes from the Airport to our facilities.

Karlsruhe-Baden Airport:

There are few connections to and from European cities like Berlin, Dublin, London.

For more information please check the website of the Baden Airport at:

<http://www.badenairpark.de>

We recommend taking a rental car from the airport. Take motorway A5 direction Basle.

Further instruction see "arrival by car". Please calculate 60 minutes from the Airport to our facilities.

Euroairport Basle-Mulhouse-Freiburg:

There are many regular flight connections to and from the most of the European cities.

Please check the following website for

more information:: www.euroairport.com

We recommend taking a rental car from the airport. From the french site of the Airport take motorway A35 direction Mulhouse/Strasbourg/Freiburg and after approx. 15 km take the exit "Freiburg / Usine Peugeot" and follow this highway which will automatically merge into motorway A5. Follow the direction "Karlsruhe".

Further instructions see "arrival by car". Calculate 70 minutes from the Airport to our facilities.

If you arriving at Frankfurt-International Airport please take the ICE train via Mannheim heading to "Zurich" or "Basle" and change in Offenburg to the local train (please see "arrival by train" for detailed instructions).
